### § 8.2 Semiannual assessment.

(a) Each national bank shall pay to the Comptroller of the Currency a semiannual assessment fee, due by March 31 and September 30 of each year, for the six month period beginning on January 1 and July 1 before each payment date. The Comptroller of the Currency will calculate the amount due under this section and provide a notice of assessments to each national bank no later than 7 business days prior to March 31 and September 30 of each year. The semiannual assessment will be calculated as follows:

If the bank's total assets (consolidated domestic and foreign subsidiaries) are:		The semiannual assessment is:		
		This amount—	Plus	Of excess over—

40,000	.....	X10	Y9	40,000

(1) Every national bank falls into one of the ten asset-size brackets denoted by Columns A and B. A bank's semiannual assessment is composed of two parts. The first part is the calculation of a base amount of the assessment, which is computed on the assets of the bank up to the lower endpoint (Column A) of the bracket in which it falls. This

base amount of the assessment is calculated by the OCC in Column C.

(2) The second part is the calculation of assessments due on the remaining assets of the bank in excess of Column E. The excess is assessed at the marginal rate shown in Column D.

(3) The total semiannual assessment is the amount in Column C, plus the amount of the bank's assets in excess

of Column E times the marginal rate in Column D: Assessments =  $C + [(Assets - E) \times D]$ .

(4) Each year, the OCC may index the marginal rates in Column D to adjust for the percent change in the level of prices, as measured by changes in the Gross Domestic Product Implicit Price Deflator (GDIPIPD) for each June-to-June period. The OCC may at its discretion adjust marginal rates by amounts less than the percentage change in the GDIPIPD. The OCC will also adjust the amounts in Column C to reflect any change made to the marginal rate.

(5) The specific marginal rates and complete assessment schedule will be published in the "Notice of Comptroller of the Currency Fees," provided for at § 8.8 of this part. Each semiannual assessment is based upon the total assets shown in the national bank's most recent "Consolidated Reports of Condition and Income" (Call Report) preceding the payment date. Each bank subject to the jurisdiction of the Comptroller of the Currency on the date of the second or fourth quarterly Call Report required by the Office under 12 U.S.C. 161 is subject to the full assessment for the next six month period.

(6)(i) Notwithstanding any other provision of this part, the OCC may reduce the semiannual assessment for each non-lead bank by a percentage that it will specify in the Notice of Comptroller of the Currency Fees described in § 8.8.

(ii) For purposes of this paragraph (a)(6):

(A) *Lead bank* means the largest national bank controlled by a company, based on a comparison of the total assets held by each national bank controlled by that company as reported in each bank's Call Report filed for the quarter immediately preceding the payment of a semiannual assessment.

(B) *Non-lead bank* means a national bank that is not the lead bank controlled by a company that controls two or more national banks.

(C) *Control* and *company* have the same meanings as these terms have in sections 2(a)(2) and 2(b), respectively, of the Bank Holding Company Act of 1956 (12 U.S.C. 1841(a)(2) and (b)).

(b)(1) Each Federal branch and each Federal agency shall pay to the Comptroller of the Currency a semiannual assessment fee, due by March 31 and September 30 of each year, for the six month period beginning on January 1 and July 1 before each payment date. The Comptroller of the Currency will calculate the amount due under this section and provide a notice of assessments to each national bank no later than 7 business days prior to March 31 and September 30 of each year.

(2) The amount of the semiannual assessment paid by each Federal branch and Federal agency shall be computed at the same rate as provided in the Table in 12 CFR 8.2(a); however, only the total domestic assets of the Federal branch or Federal agency shall be subject to assessment.

(3) Each semiannual assessment of each Federal branch or Federal agency is based upon the total assets shown in the Federal branch's Call Report most recently preceding the payment date. Each Federal branch or Federal agency subject to the jurisdiction of the OCC on the date of the second and fourth Call Reports is subject to the full assessment for the next six-month period.

(4)(i) Notwithstanding any other provision of this part, the OCC may reduce the semiannual assessment for each non-lead Federal branch or agency by an amount that it will specify in the Notice of Comptroller of the Currency Fees described in § 8.8.

(ii) For purposes of this paragraph (b)(4):

(A) *Lead Federal branch or agency* means the largest Federal branch or agency of a foreign bank, based on a comparison of the total assets held by each Federal branch or agency of that foreign bank as reported in each Federal branch's or agency's Call Report filed for the quarter immediately preceding the payment of a semiannual assessment.

(B) *Non-lead Federal branch or agency* means a Federal branch or Federal agency that is not the lead Federal branch or agency of a foreign bank that controls two or more Federal branches or agencies.

(c) *Additional assessment for independent credit card banks*—(1) *General*

*rule.* In addition to the assessment calculated according to paragraph (a) of this section, each independent credit card bank will pay an assessment based on receivables attributable to credit card accounts owned by the bank. This assessment will be computed by adding to its asset-based assessment an additional amount determined by its level of receivables attributable. The dollar amount of the additional assessment will be published in the "Notice of Comptroller of the Currency Notice of Fees," described at §8.8.

(2) *Credit card banks affiliated with full-service national banks.* The OCC will assess an independent credit card bank in accordance with paragraph (c)(1) of this section, notwithstanding that the bank is affiliated with a full-service national bank, if the OCC concludes that the affiliation is intended to evade this part.

(3) *Definitions.* For purposes of this paragraph (c), the following definitions apply:

(i) *Affiliate* has the same meaning as this term has in 12 U.S.C. 221a(b).

(ii) *Engaged primarily in card operations* means a bank described in section 2(c)(2)(F) of the Bank Holding Company Act (12 U.S.C. 1841(c)(2)(F)) or whose ratio of total gross receivables attributable to the bank's balance sheet assets exceeds 50%.

(iii) *Full-service national bank* is a national bank that generates more than 50% of its interest and non-interest income from activities other than credit card operations or trust activities and is authorized according to its charter to engage in all types of permissible banking activities.

(iv) *Independent credit card bank* is a national bank that engages primarily in credit card operations and is not affiliated with a full-service national bank.

(v) *Receivables attributable* is the total amount of outstanding balances due on credit card accounts owned by an independent credit card bank (the receivables attributable to those accounts) on the last day of the assessment period, minus receivables retained on the bank's balance sheet as of that day.

(4) *Reports of receivables attributable.* Independent credit card banks will report receivables attributable data to

the OCC semiannually at a time specified by the OCC.

(d) *Surcharge based on the condition of the bank.* Subject to any limit that the OCC prescribes in the Notice of the Comptroller of the Currency Fees, the OCC shall apply a surcharge to the semiannual assessment computed in accordance with paragraphs (a) through (c) of this section. This surcharge will be determined by multiplying the semiannual assessment computed in accordance with paragraphs (a) through (c) of this section by—

(1) 1.5, in the case of any bank that receives a composite rating of 3 under the Uniform Financial Institutions Rating System (UFIRS) and any Federal branch or agency that receives a composite rating of 3 under the ROCA rating system (which rates risk management, operational controls, compliance, and asset quality) at its most recent examination; and

(2) 2.0, in the case of any bank that receives a composite UFIRS rating of 4 or 5 and any Federal branch or agency that receives a composite rating of 4 or 5 under the ROCA rating system at its most recent examination.
